

Sanjivani College of Engineering, Kopargaon
Department of Electronics & Computer Engineering

Date: 17/5/2023

NOTICE

All the FY BTech students are hereby informed that, one-day workshop on “**Hands on Electronics**” is organized by IETE Students Forum on **Friday, 19/05/2023**. Interested students can enroll their names through Google Form available on What's App group on or before 17/05/2022, 7.00 pm. Maximum 25 participants are allowed on a first come first serve basis. For details contact to Mr. Nilesh Ahire :9325992004 or Mr. Varunraje Jagtap: 7823029193.

Registration Link: <https://forms.gle/F6EF96xRikbG5AkH8>

Venue: CN&ES Lab (008)

Time: 2.40 PM to 5.30 PM.

(Mr. N. I. Bhopale)
ISF Staff Advisor

(Dr. B. S. Agarkar)

To,

The Director,
Sanjivani College of Engineering, Kopargaon

Subject: -Proposal for organizing one-day workshop in AY 2022-23 SEM II

Respected Sir,

We the undersigned working in the Department of Electronics & Computer Engineering would like to organize a Workshop for students. The details of course are attached here with.

Please permit us to conduct below mentioned course.

Workshop Details

1. Type: - one-day workshop
2. Name/ Title of workshop: Hands on Electronics
3. Objective of course:
To understand Basics of Electronics and to build Mini Project/small application.
4. Expected outcome of course:
 - Ability to understand basics of Electronics.
 - Ability to develop small modules and improve technical, logical thinking
5. Proposed student's strength: 25
6. Course designed for which class: FY
7. Preferred organizing body: IETE Students Forum
8. Infrastructure/ facilities required from department: Lab with PC
9. Tentative fees per participant with proper justification: ----NIL----
10. Tentative schedule with duration and number of sessions: 19/5/2023, one session.
11. HOD's Remark *Recommended by*

Thanking you,

17/5/2023

Permitted

33	67	Walade Ayush	Walade	Walade	Walade
34	23	Rohan Mandlik	Rohan	Rohan	Rohan
35	28	Tratik Kanawade	Tratik	Tratik	Tratik
36	69	Saish Vaddya	Saish	Saish	Saish

SRES's Sanjivani College of Engineering, Kopargaon

Department of Electronics & Computer Engineering

Date: -20/5/2023

Academic Year- 2022-23 (Sem-II)

Activity Report

1) Name of the event: One-day workshop on “Hands on Electronics”.

2) The objective of the event:

- To understand Basics of Electronics and to build Mini Project/small application.
- To develop small modules and improve technical, logical thinking

3) Number of the participants: 25 Students from FY ECE Deptt.

4) Date of conduction: 19/05/2023.

5) Event organizer: IETE Students Forum (Department of E & Tc Engg.)

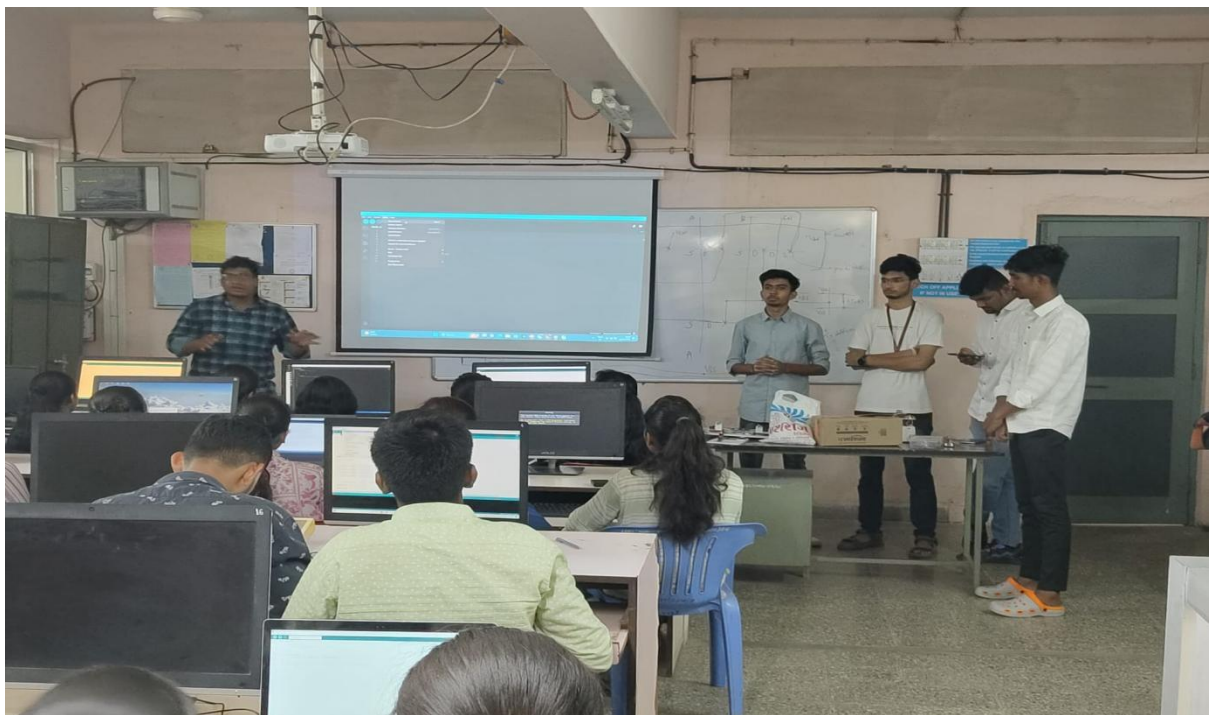

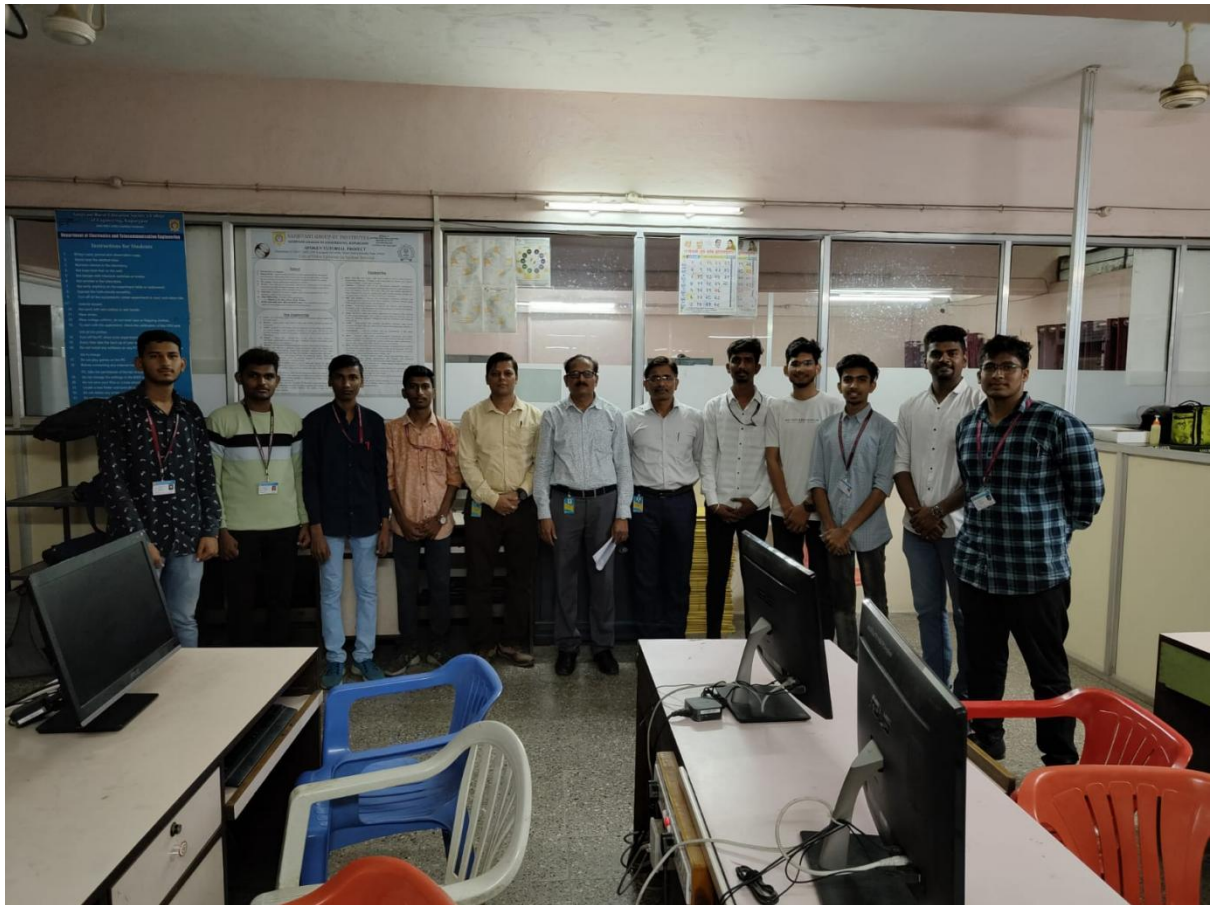

6) Details of the resource persons: Mr. Pankaj Joshi, Mr. Varunraje Jagtap, Mr. Nilesh Ahire.

7) Workshop highlighted to Impart the Basic Knowledge in the Field of Electrical and Electronics Engineering. The idea of workshop was to equip students with the various components and their workings that they would be coming across in the next few years. The convenors arranged for all components such as resistors, transistors, LEDs and even soldering machines so students could engage themselves in a first hand experience in building circuits and trying out their working. Different types of circuits diagrams were introduced and the necessary apparatus to form the circuit provided. These included Touch sensors, 555 Timers, Arduino UNO etc. On the other hand electrical circuits were also displayed. Staircase wiring and Room Layouts were explained. The Faculty of ECE Engineering believe that theoretical knowledge can only help their students out for a while, but unless they experiment and try to see the workings for themselves it is futile to mug up components, their applications and their working.

Finally, on concluding note, event co-ordinator Prof. N. I. Bhopale proposed vote of thanks and the students were appreciated for their efforts for the successful completion of the workshop by Dr. B. S. Agarkar.

8) Proofs of the event conducted:

(Dr. B. S. Agarkar)
HOD, E& Tc Engg.
