

Sanjivani's SPECTRUM

(A fortnight News Bulletin of Sanjivani College of Engineering, Kopargaon)

Volume 1 Issue 4 16th to 30th January 2024

FROM THE EXECUTIVE TRUSTEE

Our community's commendable ethos, marked by collaboration and innovation, stands out as noteworthy to the external world. I am thoroughly impressed by Ms. Akansha Vikram Bhaskar and Ms. Manasi Anil Deokar on their TEEP selection! Applause for achieving NPTEL Active SPOC status; their dedication enhances our academic community! Kudos to all for contributing to the vibrancy of Sanjivani!

Shri Nitinrao S. Kolhe
Executive Trustee

FROM THE MANAGING TRUSTEE

Stay committed to fostering a nurturing learning environment. Your active participation shapes our educational landscape. Cheers to Ms. Akansha Vikram Bhaskar and Ms. Manasi Anil Deokar on their selection in TEEP! Congratulations on earning the NPTEL Active SPOC status. Their commitment elevates our academic community. Best wishes for collective success and progress.

Shri Amit Kolhe
Managing Trustee

FROM THE DIRECTOR'S DESK

In this dynamic fortnight, we applaud Ms. Akansha Vikram Bhaskar and Ms. Manasi Anil Deokar for their success in the Taiwan Experience Education Program. Sanjivani Engineering College proudly achieves the NPTEL Active SPOC status for our dedication to online learning and NPTEL course facilitation. Commendations for this achievement! Best wishes!

Dr. A.G.Thakur
Director, SCOE

Enlightening Visit: Distinguished Alumnus Mr. Akash Khurana

On 29th Jan 2024, we were privileged to host **Mr. Akash Khurana**, a distinguished alumnus of Sanjivani College of Engineering. Currently holding the positions of **Executive Vice President, Chief Information Officer, and Chief Digital Officer at WESCO Distribution**, Mr. Khurana, a graduate from the Mechanical Engineering class of 1995, exemplified the spirit of continuous learning by earning an MBA in finance and strategic planning from the University of Wisconsin-Milwaukee. Currently, he is dedicated to his PhD studies at the University of North Alabama. During his visit as part of the flagship platform Sanjivani Thought Leaders, Mr. Khurana generously shared impactful life principles with our students, leaving a lasting impression on their personal and professional growth.

NPTEL Active SPOC: A Commitment to Excellence in Online Learning

Sanjivani Engineering College has been selected as an NPTEL Active SPOC (Single Point of Contact) and has been conferred with the prestigious certificate in recognition of our commitment to fostering online learning and facilitating NPTEL courses.

Best Certificate Count Improvement: by Swayam-NPTEL

As a result of the effective implementation of NEP 2020, incorporation of NPTEL Courses into the regular curriculum and the collective efforts as a learning community, Sanjivani Engineering College has been recognized for achieving the **Best Certificate Count Improvement** by **Swayam-NPTEL**. It is through such collaborative efforts that we continue to raise the bar and create a thriving academic environment

NSS Camp: Rainwater Harvesting Project in Nategaon

Sanjivani College of Engineering and Sanjivani Pharmaceutical Education and Research Institute collaborated to host a 7-day National Service Scheme (NSS) camp in Nategaon, with the primary objective of fostering socio-economic development among students through meaningful social activities. Notably, students from the **Civil Department** orchestrated and successfully executed a **Rainwater Harvesting project** for two local temples, aiming at sustainable water resource management. The fruition of this project was made possible under the guidance of Professor **N.B. Aher. Dr. A.G. Thakur, Director**, expressed his contentment during his visit to the project site, commending the students for their dedication and effective project implementation. The individuals instrumental in this accomplishment include Suyash Danve, Akansha Jadhav, Ankita Kankrale, Ganesh Shinde, Deepak Devre, and Soham Gawde. Gratitude is extended to **Prof. N.S. Surnar, NSS Program Officer, Dr. C L Jejurkar, Head, Civil Engineering Department, Dr. A G Thakur, Director, and Hon'ble Shri. Amitdada Kolhe, Managing Trustee, SRES**, for their unwavering support in providing this enriching opportunity

Unlocking Innovation: Capsule Course on Data Science & Machine Learning

From 18th to 30th December 2023, a Capsule Course on Data Science and Machine Learning was designed and conducted to disseminate knowledge in these dynamic domains. This course aimed to empower learners with a comprehensive understanding of how data science can drive innovation and enhance business processes. Participants benefited from hands-on training, gaining valuable insights into the realm of Data Sciences and exploring its feasibility and future scope. This intensive program was led by the esteemed Dr. T. Bhaskar, Associate Professor in the Computer Engineering Department

Fostering Futures: Joint Placement Drive for CS, IT

A Placement Drive exclusively tailored for Computer Science, Information Technology, and Data Science learning students is set to unfold, a collaborative effort orchestrated by the Department of Training and Placement in conjunction with the Computer Science and Information Technology Department

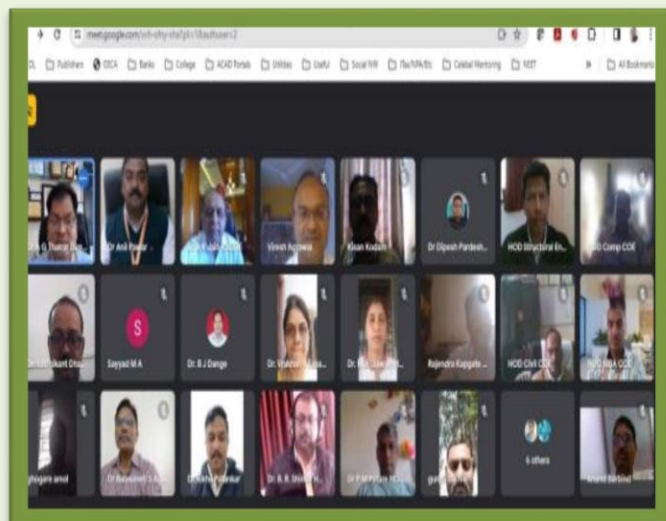

Sanjivani Shines Globally: Taiwan Experience Education Program (TEEP)

We are delighted to announce the selection of two exceptional students from Sanjivani College, **Ms. Akansha Vikram Bhaskar** and **Ms. Manasi Anil Deokar**, in this year's **Taiwan Experience Education Program (TEEP)**. Under the guidance of **Prof. Chia-Chi Chang** at the **National Changhua University of Education** and **Prof. Hsiang-Chen Wang** at the **National Chung Cheng University**, these talented Mechanical Engineering students are set to contribute to international research projects

Academic Council Meeting

18th January 2024, Academic Council Meeting of Sanjivani College of Engineering was held online. The meeting was hosted by Dr A.B. Pawar, Dean Academics & Member Secretary and presided by Dr A.G. Thakur, Director. Dr. K C Mohite, University Representative, Dr. Kisan Kodam, University Representative, Dr. R. K. Jain, University Representative, Mr. Vijay Naidu, Industry Expert and Mr. Viresh Agarwal, Industry Expert were the special invitees. Heads and Autonomy coordinators of all Departments also were present.

Achieving Success in JLPT N5

We are delighted to share the exciting news that **Mr. Shubham Ingale**, a dedicated student of Electrical Engineering, has successfully cracked the JLPT N5 level in the December 2023 examination. His remarkable achievement is evident in his impressive score of 92/180 marks.

Webinar Participation with Intel Unnati Ignited

We are congratulating on the commendable achievement of **Prof. Anand Barbind** and **Prof. Nitin Shelake** of Information Technology for their successful participation in the webinar organized by Intel Unnati Ignited.
