

Vision

To Develop World Class Professionals through Quality Education.

Mission

To create Academic Excellence in the field of Engineering and Management through Education, Training and Research to improve quality of life of people

FROM THE CHAIRMAN'S DESK

It's been a truly remarkable few months at Sanjivani College! Our campus is abuzz with innovation, from our new Data Analytics Centre of Excellence to the numerous design patents granted to our brilliant faculty and students. The success of initiatives like the "Safety and Wear Helmet" program and the first-ever U.S. alumni meet show our community's strength and global reach. I'm incredibly proud of everyone's achievements

Shri Nitinrao S. Kolhe
Chairman, SRES

FROM THE MANAGING TRUSTEE'S DESK

It fills me with immense pride to witness the remarkable recent design patents, the new Data Analytics Centre of Excellence, and the success of our first U.S. alumni meet are powerful testaments to our collective innovation and global reach. These accomplishments, alongside our students' social initiatives and placements, reflect a holistic education. I extend my sincere congratulations to our dedicated faculty, staff, and students for their inspiring work

Shri Amit Kolhe
Managing Trustee, SRES

FROM THE DIRECTOR'S DESK

I am immensely proud of the vibrant culture of innovation at Sanjivani College. The granting of multiple design patents, establishment of our new Data Analytics Centre, and hands-on workshops are a testament to our community's hard work. I congratulate our brilliant students and dedicated faculty for these remarkable achievements.

Dr. Madhva Nagarhalli
Director, SCOE

Congratulations on the Design Patent Publications

We are proud to announce the successful publication of two design patents by our talented faculty and students. Congratulations to **Professor S. M. Gujrathi** and students **Amol Ashok Khedkar**, **Rutuja Prakash Bhalerao**, **Jayesh Haribhau Dange**, **Vijay Vasant Dahifale**, and **Sai Prakash Borhade** for their innovative design patent on the "Adjustable Spade and Shovel." Additionally, a big round of applause to **Dr. S. P. Palekar** and **Mr. P. A. Bojage**, along with students **Suyog Gorakshnath Patare**, **Hrushikesh Vilas Pangavhane**, **Saif Mushir Mulani**, **Gujar Dinesh Satish**, and **Aakash Namdeo Gholap**, for their achievement in publishing a design patent on the "Multi-Furnace Aluminium Degasifier Setup."

A Successful Industrial Visit to Praj Industries Ltd

The Department of Mechanical Engineering successfully completed an insightful industrial visit to **Praj Industries Ltd., Sanaswadi, Pune, on August 23, 2025**. Coordinated by **Prof. R. S. Kolhe** and **Prof V. J. Surywanshi**,

Prof. R. S. Kolhe and Prof V. J. Surywanshi with students during the Industrial Visit

the visit provided students with valuable, firsthand exposure to the manufacturing and design processes of industrial equipment. We extend our sincere gratitude to everyone who contributed to the smooth execution of this educational tour.

Dr. N. D. Sadaphal Successfully Defends PhD Viva

The Department of Mechanical Engineering is happy to announce that **Prof. N. D. Sadaphal** successfully defended his PhD viva on August 20, 2025. This is a moment of great pride and celebration for both Prof. Sadaphal and the entire department. Congratulations on his Success!

Electrical Engineering Hosts Financial Literacy Workshop

On August 19, 2025, the Electrical Engineering Department, coordinated by **Prof. Chanchal Jadhav**, successfully organized a Financial Literacy Workshop for B.Tech students. The session was

Sanjivani Rural Education Society's
(An Autonomous Institute Affiliated to Savitribai Phule Pune University, Pune)
Sanjivani College Of Engineering, Kopergaon
Department Of Electrical Engineering

FINANCIAL LITERACY WORKSHOP

"Empowering individuals with the knowledge and tools needed to achieve financial independence and stability"

August
19, 2025

10:30 - 11:30 AM

Class Room
235

Mr. Amol Marekar
SEBI Officer

PROF. C. P. JADHAV
FACULTY CO-ORDINATOR

DR. D. B. PARDESHI
HOD

DR. M. V. NAGARHALI
DIRECTOR

designed to equip students with essential knowledge about financial planning, saving, and investing. This initiative is a vital step toward helping our students build a secure and stable future.

Welcoming the Newest Members of the Electrical Engineering Department

The Electrical Engineering Department extended a warm welcome to our **First-Year B.Tech students on August 23, 2025**. Coordinated by **Prof. Chanchal Jadhav**, the welcome session took place in the department, providing

new students with a fantastic introduction to their new academic home. They were introduced to the dedicated teaching staff and given a comprehensive overview of the department's well-equipped laboratories and the extensive learning facilities available.

A Day of Service and Learning: IT Department Visits Sai Palakhi Niwara

Small Hand Of Help 🤝

IT Students at Sai Palakhi Niwara

important awareness session on good touch and bad touch. This activity went beyond a simple outreach program, as it provided students with invaluable value education, demonstrating the importance of empathy, social responsibility, and the power of giving back to the community

Welcome and Induction Program for First-Year IT Students

Dr. M. A. Jawale addressing the students

On **August 23, 2025**, the **Department of Information Technology**, under its departmental association **ITERA**, hosted a **welcome and induction program** for its first-year students. Coordinated by **Dr. R. R. Nikam**, the event was attended by 63 students. The program featured guiding sessions from department leaders, with **Dr. M. A. Jawale, Head of the Department**, providing insights into academic, placement, and extracurricular opportunities available through **ITERA**. Subsequently, **Dr. A. B. Pawar, Dean of Academics**, spoke about the teaching-learning environment and initiatives to

enhance student skills.

IT Student Secures Placement at Kanaka Soft

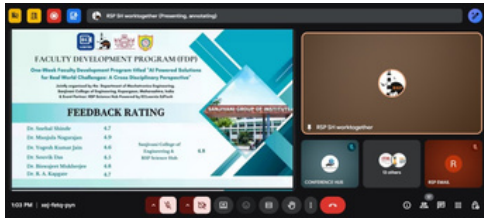

Mr. Shashank Phiske

The Department of Information Technology is proud to announce the placement of **Mr. Shashank Phiske** from the 2026 batch. On August 7, 2025, Mr. Phiske secured a position at **Kanaka Soft** with a generous package of 5.0 LPA.

Faculty Development Program on AI Powered Solutions

From **August 18 to August 23, 2025**, the Department of Mechatronics Engineering at Sanjivani College of Engineering successfully organized a **one-week Faculty Development Program (FDP) on "AI Powered Solutions for Real World Challenges: A Cross Disciplinary Perspective."** Coordinated by **Prof. A. A. Kondekar** and **Prof. S. C. Bhangale**, the hybrid-mode FDP attracted 57 participants from 21 states and various universities and colleges. The program aimed to enhance participants' skills in applying Artificial Intelligence (AI) across diverse domains, with sessions covering everything from fundamental concepts to ethical considerations. Esteemed resource persons, including **Dr. Snehal Shinde**, **Dr. Manjula Nagarajan**, **Dr. Yogesh Kumar Jain**,

Dr. Souvik Das, Dr. Biswajeet Mukherjee, and Dr. R. A. Kapgate, shared their expertise. Five oral sessions were conducted, and the top five participants who performed best in a related quiz were awarded free entry to the next FDP.

Transforming Innovation into Entrepreneurship: A Session to Remember!

The **EDP Cell** of Sanjivani College of Engineering, Kopargaon, organized an inspiring expert session and talk on **"Student Innovator to Change Maker Entrepreneur"** on August 25th, 2025. **Mr. Atharv G. Raut, Founder & CEO of Atharv Raut India (P) Ltd.**, shared his expertise and experiences on transforming innovative ideas into impactful entrepreneurial journeys, providing valuable insights to ignite the entrepreneurial spirit in our students. The session was a huge success, with students and staff members benefiting from Mr. Raut's inspiring talk and interactive discussion.

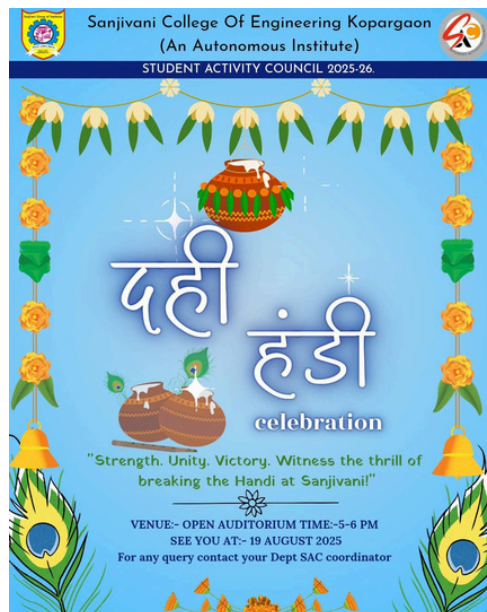

Inspiring the Next Generation: A Proud Alumni Returns

Dr. Madhva Nagarhalli, Director with Mr. Sandeep Goel

Sanjivani College of Engineering was honored to welcome back one of its distinguished alumni, **Mr. Sandeep Goel, Director and KAM - Networks, Cloud Software and Services at Ericsson**, and a 1993 Batch Alumni of the Electronics Department. Mr. Goel graced the **Drishti 2K25 – Induction Program (AY 2025–26)**, sharing his inspiring journey and valuable insights with our new students. His presence was a testament to the college's commitment to nurturing talent and empowering students to achieve their goals.

Dahi Handi Celebration Brings SCOE Community Together

The **Student Activity Council 2025-26** of Sanjivani College of Engineering organized a vibrant **Dahi Handi celebration** on **August 19th, 2025**, at the Open Auditorium. The event was attended by teaching and non-teaching faculty members, who graced the occasion with their esteemed presence. The students enthusiastically participated in the festivities, showcasing their strength, unity, and victory as they attempted to break the Handi. The Student Activity Council extends its gratitude to all faculty members for their support and presence, making the event a memorable one.

Sanjivani's First U.S. Alumni Celebration

Sanjivani Group of Institutes recently celebrated a historic milestone with its **first-ever alumni gathering in the United States, held in New Jersey**. The event brought together 27 alumni, creating a heart-warming and nostalgic reunion for everyone involved. For the Sanjivani management, seeing alumni from a small town like Kopargaon thrive across the globe confirms the vision of founder **Shri Shankarrao Kolhe Saheb**: empowering rural communities through quality education. The celebration was a seamless blend of laughter, shared memories, and the joy of rediscovering old friendships. Special thanks were extended to the dedicated organizing team, including **Amit Nehru, Dr. A.G. Thakur, Prof. Dhananjay Kumbhar, and Vimal Ghuman**, as well as to **Hon. Nitindada Kolhe, Chairman** and **Hon. Amit Kolhe, Managing Trustee, SRES** for their unwavering support. This successful gathering marks the beginning of continued engagement

Hon.Amit Kolhe addressing inthe Alumni Meet at New Jersey, USA

with the growing Sanjivani family in the U.S. and a celebration of their unbreakable bond

Prestigious Publication Achievement

The **Department of Structural Engineering** extends its heartfelt congratulations to **Prof. Sumit Kolapkar** on the publication of his research paper in the **Journal of Thermal Stresses**, a **Taylor & Francis** publication with a strong SCI, Q1 ranking and an Impact Factor of 2.6.

Sanjivani COE Students Achieve Global Certification in Japanese Language

The **Department of Training and Placement** at Sanjivani College of Engineering extends hearty

congratulations to the students who have successfully qualified in the **Japanese Language JLPT July 2025/NAT August 2025 Exam**. Special congratulations to **Namdev Girme and Saniya Pathan**, who achieved N4 certification, and to **Shraddha Deokar, Vaishnavi Thorat, Jyotsna Bhoi, Jayesh Adhav, Kalyani Chintamani, Ram Deokar, and Shubham Bhad**, who secured N5 certification. The college community is proud of their accomplishment and looks forward to seeing them excel globally.

Sanjivani College of Engineering
Department of Training and Placement

CONGRATULATIONS !!

Vaishnavi Thorat (TY-MTX.) **Jayesh Adhav (TY- MTX.)** **Jyotsana Bhoi (TY-MTX.)**

Sanjivani Training and Placement

Departments of Computer and ECE Celebrate Dual Patent Grants

The **Department of Computer Engineering** and the **Department of Electronics and Communication Engineering (ECE)** are proud to announce that both departments have been granted design patents for their innovative projects. The Department of Computer Engineering has received a patent for the **Smart RF Signal Detection System**, an achievement resulting from the hard work of **Professor P. M. Dhanrao** and his students. Simultaneously, the ECE department's students and faculty have been granted a design patent for their **"SMART VISION GLASSES: Real-Time Object Detection with Audio Assistance"**, a groundbreaking device aimed at assisting the visually impaired. These dual accomplishments underscore the culture of innovation thriving within both departments.

Sanjivani I-Connect Session

The **Department of Information Technology** conducts **Sanjivani I-Connect** session held on **August 23, 2025**. Coordinated by **Ms. M. S. Kurhe**, the event featured a privileged guest, **Mr. Dhiraj Chawade, Manager of Talent Acquisition at Zensor Technologies**. Mr. Chawade conducted an insightful and highly motivating session on **"Industry Expectations and Career Readiness,"** which provided budding engineers with a realistic and

invaluable perspective on current industry demands. His talk helped students understand what it takes to succeed and how to better prepare themselves for their future careers

Expert talk on Industrial Organisation Management and Switchgear & Protection

On August 30, 2025, an expert talk on **Industrial Organisation Management and Switchgear & Protection** was held to bridge the gap between academic knowledge and industry practices. The session, coordinated by **Prof. P. D. Daunde**, provided students with valuable insights into industrial management strategies, organizational structures, and the latest in switchgear technologies for power system protection

Sanjivani Thought Leader Programme: An Inspiring Session

Sanjivani College of Engineering, Kopergaon
(An Autonomous Institute | Affiliated to SPPU Pune)
Department of Computer Engineering and ACES Organises

"Sanjivani Thought Leader"

On Topic
"Think, Create, Impact :
Mastering the Inventor's Mindset"

Date : 30th August 2025
Venue : Seminar Hall,
Sanjivani University
Time : 10:30 AM

Mr. Sandeep Patil
IBM MASTER INVENTOR
and CTO

Dr. S. R. Deshmukh
Event Incharge
Dr. M. A. Jawale
HOD Comp & IT
Dr. D. B. Kohliwagar
HOD ECE
Dr. M. V. Nagarhalli
Director SCOE
Hon'ble Shri Amit, S
Managing Trustee

The Department of Computer Engineering recently organized a highly anticipated **Sanjivani Thought Leader Programme** on **August 30, 2025**, expertly coordinated by **Dr. S. R. Deshmukh**. The event's highlight was a keynote address by **Mr. Sandeep**

Patil, IBM Master Inventor and CTO. The session provided a unique opportunity for students to gain insights from a top industry leader. Mr. Patil's vast experience and expertise offered invaluable guidance to the students.

B.Tech Students Secure Internships and Placements at MSTPL, Nashik

On August 21, 2025, three students from the Mechanical Engineering department—**Suyesh Thorat, Nilesh Raskar** and **Deep Sonawane**—successfully secured internship and placement opportunities at **MSTPL, Nashik**, following a rigorous interview process. Thanks to the invaluable guidance provided by **Prof. P. N. Patil** and **Prof. V. P. Bhaurkar**, who coordinated the effort.

MESA Hosts Ganeshotsav Mehndi Competition

On August 29, 2025, the **Mechanical Engineering Students' Association (MESA)** successfully hosted a **Mehndi competition** as part of its **MESA Ganeshotsav 2K25** celebrations. The event was coordinated by **Dr. N. D. Sadaphal**. Winners were awarded exciting cash prizes. The competition was organized by student coordinators: **Krishna Tanpure, Apeksha Sonawane, Atharv Adhav** and **Atharv Jamdar**

MESA Ganeshotsav Celebrates Creativity with Drawing and Rangoli Competitions

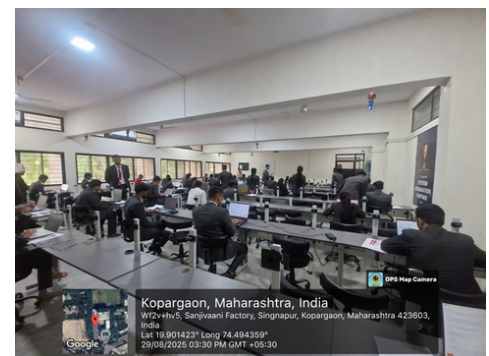

On **August 30, 2025**, the **Mechanical Engineering Department** hosted a **Drawing and Rangoli competition** as part of its **Ganeshotsav celebrations**. Coordinated by **Prof. S. M. Gujrathi**, the event was spearheaded by a dedicated core team of female students, including **Dyaneshwari Bhagwat, Bhumi Sonekar, Samiksha Vakte** and **Deepali Nikam**, along with other active MESA members. The competition saw enthusiastic participation from over 40 students across the institute, with winners receiving exciting cash prizes. The judges for the event were **Mrs. Asmita Ingale** and **Mrs. Pawar**, esteemed members of the Sanjivani family. The event was a tremendous success, fostering creativity and festive spirit among all participants.

IT Department's 'Coder Kesari 2K25' A Resounding Success

Dr. Jawale, HOD IT with the winners

The **Department of Information Technology** is happy to announce the successful conclusion of its highly anticipated coding competition, "**Coder Kesari 2K25**," held on **August 25, 2025**. Coordinated by **Dr. Y. S. Deshmukh** under the banner of the CSI Student

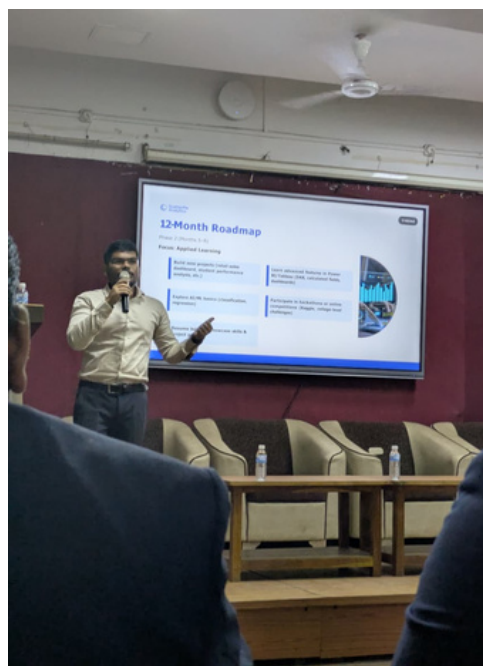

Branch 2025–26, this prestigious event was exclusively for students of the Sanjivani Group of Institutes and Sanjivani University. The competition kicked off with an impressive first round, drawing over 150 participants. From this group, the top 25% advanced to the final round on August 29, showcasing their skills and determination. After an intense finale, we are proud to celebrate our champions: **Vaibhav Dawange** (SY Computer), who took 1st place and ₹3,000, **Varun Pawar** (TY IT), who secured 2nd place and ₹2,000, and **Shashank Phiske** (B.Tech IT), who earned 3rd place and ₹1,000. A big thank you to all the participants for their enthusiastic and competitive spirit, which truly made Coder Kesari 2K25 a grand success.

IT Students Excel at Sanjivani University Sports Day

On **August 29th and 30th, 2025**, students from the **Department of Information Technology** showcased their athletic talent at the **Sanjivani University Sports Day**, bringing home several victories. **Abhijit Hajare** (TY-IT) and **Parth Nandre** (SY-IT) secured second place in the **Badminton Championship**, while **Komal Hembade** and **Shatakshi Bhusari** claimed first place in the Girls' Table Tennis Championship. The IT teams also dominated, with the men's Volleyball team and the women's Kabaddi team both securing first-place finishes.

Information Technology, ECE and CSE Departments Host Expert Session and Hackathon

Mr. Prakash Pawar, CEO & Co-Founder of Scatterpie

On **August 23, 2025**, the **IT Department**, in collaboration with the **Computer and ECE departments** and the **IIC cell**, organized an expert session with **Mr. Prakash Pawar, CEO & Co-Founder of Scatterpie**. Coordinated by **Dr. A. B. Mokal**, **Ms. M. S. Kurhe** and **Ms. B. B. Pawar**, the session focused on future opportunities, internships, and placements, highlighting the

importance of learnability and communication skills. Mr. Pawar also delved into modern business intelligence (BI) technologies such as Data Warehousing, ETL, Visualization Tools, and AI-ML. Following the session, Mr. Abhijeet Moon outlined a 12-month plan for shortlisted students, including a weekly Power BI training. In alignment with this focus, the department also hosted a 48-hour **"Data Analytics Hackathon"** from August 29-30, 2025, providing a practical platform for students to apply their coding skills.

Information Technology, ECE and CSE Departments Host Expert Session and Hackathon

On **August 30, 2025**, the Department of **Information Technology**, under the **Sanjivani I-connect** initiative, organized an insightful session titled **"Early Career Excellence: Strategies to Future Leaders."** The event featured **Mr. Varun Goel, Program Manager, Early Career, at Nokia**, as the expert speaker. The session highlighted crucial career opportunities, industry expectations, and certifications, including those from AICTE under NHRD, Maximo, and Advanced Java. Mr. Goel provided a comprehensive overview of roles at Nokia, such as support, R&D, DevOps, and development. He stressed the importance of a well-crafted CV, professor recommendations, and the value of learning foreign languages for corporate advancement.
