VISION

To Develop World Class Professionals through Quality Education.

MISSION

To create Academic Excellence in the field of Engineering and Management through Education, Training and Research to improve quality of life of people.

Extended Profile

2.1 Number of full time teachers year wise during the last five years

To reduce the enormous use of paper and printing the entire data, signature and a seal by the Competent Authority for all the papers, we have used the Class-3 Digital Signature where a registration authority i.e. Dr. A. G. Thakur, Director of our institute authenticate the documents and responses claimed in this pdf file.
