Professor Stephen Ward is Professor of Leukocyte Biology in the Department of Pharmacy &amp; Pharmacology and Associate Dean (International) in the Faculty of Science at the University of Bath. He has held several personal research fellowships and received funding from the Wellcome Trust, MRC, BBSRC and Royal Society. Prof Ward was awarded his Doctor of Science (DSc) in February 2021. This award is in recognition of his substantial and sustained contribution to scientific knowledge. The work spans over 30 years of his research career that illustrates the use of interdisciplinary approaches to better understand the cellular signal transduction events that contribute to Immune epithelial cell activation. Using a range of pharmacological, biochemical, cellular, molecular and genetic approaches, he has pioneered how these signaling pathways contribute to the host immune response and development. His works has led to better understanding of how dysregulation of these pathways can contribute to autoimmune/inflammatory and fibrotic disease as well as cancer. Ultimately, this work has been with a view to the identification and validation of new drug targets as well as development of new therapies for inflammatory disease, cancer and regenerative medicine. His research career has focussed on (i) the way antigen receptors, chemokines and cytokines control activation of T lymphocytes, key cells in the adaptive immune system and (ii) how epithelial cells contribute to regulation of</p>

Selection Letter/ completion letter	<p> Dear Mahendra,</p> <p>Mr. Parimal Avhad and Ms. Urnila Satalkar used chatgpt on phone or a second PC. It was clearly indicated in instructions that only google is allowed.</p> <p>For the other students their code is ranked as follows:</p> <p>Ms. <b>Rucha</b> Rudrabhate - not good naming convention, Variables were named like d1, d2, d3, etc. - some interesting functions were developed that will help solve the problem - comments were also put in the code which is good.</p> <p>Ms. Harshini Pandhara - complicated for loop and inner while loop. It could have been done in a simpler manner. - conversion from hexa to binary looks good - however the code is missing next steps.</p> <p>Thus, I am thinking to rank them as follows for 1 internship position.</p> <p>I will ask the opinion from the project colleagues and will get back to you:</p> <ol style="list-style-type: none"><li>1. KOPARGOD, JAN 17

"Three students Vaishnavi Vinod Naikwade, Chaitanya Santosh Tokane and Anjali Anil Nikam of Sanjivani College of Engineering have been selected for a research internship at three different universities in Canada through Canada's MITACS institute. With this selection, Sanjivani Engineering College has once again underlined its position at the international level," said Amit Kolhe, Managing Trustee, Sanjivani Group of Institutions (SGI). Kolhe said that MITACS is a Canadian-based organization and MITACS GlobalLink Research Internships are offered to competitors from Australia, China, Colombia, France, Germany, Hong Kong, India, Mexico, Pakistan, Taiwan, Tunisia, Ukraine and the United States. Each year from May to October, students who are selected for a 12-week research internship in a variety of subjects, such as science, engineering, and

mathematics are required to undergo an internship under the supervision of professors from top Canadian universities. MITACS GlobalLink Research Internships are currently available at more than 70 universities across Canada. Under the Memorandum of Understanding between MITACS and All India Council for Technical Education (AICTE), New Delhi, students from AICTE-affiliated institutes in India benefit from this internship. A large number of students are selected from IITs/ NITs etc. in India. However, the stu-

dents of Sanjivani Engineering College, on the strength of their knowledge proved up to the marks of all the MITACS tests and got selected. Only one student was selected last year. But this year 3 students have been selected. All these students will be provided with airfare, accommodation and meals by the government of Canada. Sanjivani's Vaishnavi Naikwade has been selected for internship at the University of Brunswick, Chaitanya Tokane at the University of Montreal and Anjali Nikam at the University of Lowell

Quebec. These students were guided by D Mahendra Gawali, Head International Relation Department. All the selected student and their parents were felicitated by Amit Kolhe in a small programme. On this occasion, Technic Director Dr. A.G. Thakur and all the department heads were present. Former Minister and Founder President of St. Shankarrao Kolhe Executive Trustee Niharao Kolhe and Trustee Sumit Kolhe also congratulated the student on their success.

Dear Mr. AMEY RAJESH AVHAD,

We are pleased to inform you that your application for the 2024 International Internship Program at the College of Engineering, National Chung Cheng University (CCU) has been accepted. The information about your internship is as follows:

Advisor: Prof. Hsiang-Chen Wang

Host Department: Department of Mechanical Engineering

Project title: Application of Novel Snap-shot based hyperspectral imaging combined with AI to detect Lesions

Starting Day: May 15, 2024

Duration of internship: 16 weeks

End Day: September 2, 2024

Intern Type: Scholarship

CCU will offer you a scholarship that covers the on-campus accommodation (pre-paid with the scholarship), a weekly stipend of around NTD1,500, and airfare reimbursement up to NTD10,000. It is the standard amount. The total amount may be amended based on the intern's performance by the project mentor. Please note that CCU reserves the right to suspend the internship if the intern fails to fulfill their responsibilities or abide by the CCU's regulations.

Please note that your internship period may differ from what you originally indicated on your application form. This adjustment is made to accommodate Taiwan's work calendar.

Due to the national holidays from April 4th to April 7th in Taiwan, many administrative matters may be delayed. If your internship is scheduled to start during the first or second week of May, there is a possibility of a postponement. In such a case, if your internship duration needs to be shortened, please inform us in advance.

Please let us know whether you accept this offer and confirm the internship information **by March 26, 2024**. Thank you and looking forward to hearing from you soon.

Subject: Invitation to Participate in the Taiwan Experience Education Program (TEEP) Internship at Tainan University of Technology (TUT)

Dear Alok Pandey,

I am delighted to extend an invitation for you to participate in the TEEP internship at TUT in Tainan, Taiwan. Our shared interest in biomedical engineering presents an exciting opportunity for us to collaborate on exploring the application of biomechanical factors in research-based product design. Our findings from this collaboration have the potential to be published in prestigious journals indexed by the Science Citation Index.

The proposed dates for your visit to TUT are between March 30 and September 30, 2024, spanning a six-month period. During your internship, you will receive funding of NTS 15,000 per month (~INRS 39,000 per month) from the TEEP funds. Please note that TUT will not cover your travel, salary, housing, meals, or living expenses. However, I will assist in arranging accommodation near the campus to ensure a smooth transition for your six-month internship.

Should you have any queries or require further information, please do not hesitate to contact me. I eagerly anticipate your visit and our collaboration on this research endeavor.

Warm regards,

Dear Chinmay Omkar Bitne,

Congratulations! I am pleased to inform you of your admission to Arizona State University to study in the Information Technology (MS) program in the Ira A. Fulton Schools of Engineering, offered at the ASU Polytechnic campus for the 2024 fall semester.

**Important:** Continued registration beyond your first semester is contingent on the receipt of the official transcript and (in most cases) a degree certificate from the institution(s) listed below. **Official transcripts must be issued by the registrar of the institution attended, bearing the seal of the institution and signature of the academic official.**

University of Pune (Savitribai)

Documents must be submitted in the original language with an official, literal English translation and must show your final grades, the degree received and the date the degree was granted. Learn more about official transcript translation requirements at [admission.asu.edu/international/graduate-apply](https://admission.asu.edu/international/graduate-apply).

For more information on required documentation, please view your Priority Tasks in My ASU at [my.asu.edu](https://my.asu.edu).

**Important:** For detailed information regarding I-20 requirements, including necessary forms and deadlines, go to the International Admission Services website at [admission.asu.edu/international/student-visa](https://admission.asu.edu/international/student-visa). To monitor the progress of your I-20, view the I-20 Tracker in My ASU at [my.asu.edu](https://my.asu.edu).

Proof of MMR immunization is required. For MMR immunization requirements, please refer to your **Priority Tasks** on My ASU.

To maximize the many resources available to you, please familiarize yourself with My ASU, your personalized online student information and services resource. You can access this page at [my.asu.edu](https://my.asu.edu) by logging in with your new ASURITE User ID and password.

ASU and the Information Technology (MS) program are committed to assisting you in your exploration of the immense resources and opportunities available to you here. For additional information, you may contact your department at [polygrad@asu.edu](mailto:polygrad@asu.edu) or at 480-727-1874.

ASU embraces integrity in all scholarships, research and creative endeavors. It is our expectation that you will review and abide by ASU's policies related to academic and research integrity at [provost.asu.edu/academicintegrity](https://provost.asu.edu/academicintegrity) and [researchintegrity.asu.edu](https://researchintegrity.asu.edu).

As a New American University, ASU believes your education should be transformative not only for you, but also for society. I encourage you to learn more about what this means to you by visiting [newamericanuniversity.asu.edu](https://newamericanuniversity.asu.edu). I also recommend you visit [yourfuture.asu.edu/golden-conversations](https://yourfuture.asu.edu/golden-conversations) to learn how current students describe being part of the ASU community.

Dear Miss Thota,

We are delighted to confirm that your application to study at Queen Mary University of London (QMUL) has been successful. Details of your offer are listed below. Please refer to your portal for information on how to respond.

#### YOUR OFFER

#### Conditional Offer Outstanding Conditions

##### \*\*\*ACADEMIC REQUIREMENT\*\*\*

This offer is conditional upon you being awarded a Bachelor degree (minimum 3 years) with a final cumulative GPA of 5.5 out of 10 or above.

We normally calculate the final overall mark of degrees using the weighted average method. This means that we will take in to account the credit value of all modules (from all years) that have been credited. For module marks that use a range, we will use the mid-point of the range for our final average calculation.

You will need to provide scanned copies of original official documentation to confirm that the qualification has been awarded and satisfies our entry criteria. This should include a full and final official transcript.

If your qualification documents are not in English, you will also need to provide official certified translations. All documents provided should be colour scans, either on headed paper or with an institution stamp.

PLEASE NOTE: This offer is also conditional on your academic degree being awarded with all final year modules at GPA 5.0/10 or above.

##### Conditions met

N/A

Please note that any conditions of offer must be met prior to the programme start date. Once you have received final results or documents relating to the conditions of your offer, you can upload a scanned colour copy via [MySIS](#).

Congratulations; your application has been successful, and you have been made an offer to study **Global (With Placement), MBA** at the University of Greenwich. You will shortly receive a second emailed offer letter, which will include your Applicant ID (beginning in 001). You should use this ID in any future communications with the university in order to help our teams assist you.

Please contact our enquiries team at [greenwich@enquiries.uk.com](mailto:greenwich@enquiries.uk.com) for assistance with any queries about your application to study with us, or talk to your agent.

**Accept your offer by paying your deposit**

To confirm your acceptance, you must pay your pre-registration deposit within 14 days of receiving your offer. If you are being sponsored by a third party, such as your government or employer, a deposit payment is not required, but you must provide proof of sponsorship within the same 14 day period. Requirements for proof of sponsorship can be found [here](#). If you do not accept your offer within 14 days, then we can no longer guarantee your place, and your course may close if it becomes full. If you do not pay within the 14 day period, you should check our [Closed Course webpage](#) to check if your course still remains open for deposit payments.

The pre-registration deposit is the first payment of your tuition fees and reduces the amount payable on registration. It also qualifies you to begin the CAS process for your Student Visa application. The University encourages students to make all payments to us using our payment platform, GlobalPay for Students, which allows you to pay fees in your local currency and significantly reduces payment fees charged by your bank. See [here](#) under 'International Students' for further details on how to make this payment to us. Please note, you should wait until you have
