VISION

To Develop World Class Professionals through Quality Education.

MISSION

To create Academic Excellence in the field of Engineering and Management through Education, Training and Research to improve quality of life of people.

CRITERION 6

Institutional Governance and Leadership

6.5.3: Institution has adopted the following for Quality assurance:

1. Academic and Administrative Audit (AAA) and follow up action taken
2. Conferences, Seminars, Workshops on quality conducted
3. Collaborative quality initiatives with other institution(s)
4. Orientation programme on quality issues for teachers and students
5. Participation in NIRF and other recognized ranking like Shanghai Ranking, QS Ranking Times Ranking etc
6. Any other quality audit recognized by state, national or international agencies

To reduce the enormous use of paper and printing the entire data, signature and a seal by the Competent Authority for all the papers, we have used the Class-3 Digital Signature where a registration authority i.e. Dr. A. G. Thakur, Director of our institute authenticate the documents and responses claimed in this pdf file.
