Activity / Program Report

Activity/Program Title	Career Guidance and Admission Information for Parents
Speaker(s)	Dr. H. N. Kedar Dr. P. V. Thokal Dr. Yogesh A. Bhavsar Dr. Amol D. Wable Prof. K. D. Petare
Organizers	Learning and Development Center, Sanjivani College of Engineering, Kopargaon
Incharge	Dr. A. B. Pawar, Dean Academics
Date	15th March 2026 to 14th April 2026
Time	9:00 AM – 11:00 AM (Session wise)
Venue	Sanjivani College of Engineering, Kopargaon (Seminar Hall)
Objective of Program	1. To provide accurate and comprehensive information about engineering admission procedures and eligibility criteria to parents of prospective students. 2. To guide parents on the various courses, branches, and specializations available at Sanjivani College of Engineering. 3. To address queries and concerns of parents regarding career prospects after engineering education. 4. To familiarize parents with fee structures, scholarship schemes, and financial assistance available for students. 5. To help parents make informed decisions in choosing the right academic path for their wards.

Intended Outcomes	1. Parents gained a clear understanding of the admission process, eligibility norms, and required documentation for engineering admissions. 2. Increased awareness among parents about the diverse engineering branches and their respective career opportunities. 3. Parents were sensitized to available scholarship and financial aid schemes, reducing financial barriers for meritorious students. 4. Enhanced parent-institution trust and engagement leading to higher enrollment from the catchment area. 5. Parents were equipped to guide their wards in making well-informed career choices aligned with their aptitude and aspirations.

LEARNING AND DEVELOPMENT CENTER

Activity / Program Report

Program Description / Summary Report

About the Program

The Learning and Development Center (LDC) of Sanjivani College of Engineering, Kopargaon, under the guidance of Dean Academics, Dr. A. B. Pawar, organized a series of Career Guidance and Admission Information Sessions for Parents from 15th March 2026 to 14th April 2026. These sessions were held with the primary objective of empowering parents with accurate and up-to-date information about engineering admissions, available courses, and long-term career prospects.

Session Highlights

- Dr. H. N. Kedar delivered a comprehensive overview of the engineering program, elaborating on the autonomous status of the institute, its NBA and NAAC accreditations, and the academic rigor that sets Sanjivani apart from other institutions.
- Dr. P. V. Thokal focused on admission procedures under the Maharashtra State Common Entrance Test (MHT-CET), lateral entry schemes, and eligibility criteria as per state norms.
- Dr. Yogesh A. Bhavsar addressed parents on the diverse branches of engineering available at the institute including Computer Engineering, Mechanical, Civil, Electronics & Telecommunication, and AI & Data Science, highlighting industry trends and placement prospects.
- Dr. Amol D. Wable spoke about the scholarship schemes available under the Government of Maharashtra and various central government bodies, including EBC, OBC, SC/ST scholarships, and the fee waiver policies.

- Prof. K. D. Petare presented information on extracurricular activities, sports, NSS, cultural events, and holistic development opportunities available to students at the institute.

Participation and Response

The sessions witnessed overwhelming participation with more than 200 parents attending each session. Parents came from rural and semi-urban areas across Kopargaon taluka and adjoining regions. The hall was packed beyond seating capacity, with many parents seated on the floor, reflecting the high demand and eagerness for quality career guidance information. The sessions were conducted in Marathi and Hindi to ensure accessibility and clarity for all participants.

Outcome and Impact

The program successfully bridged the information gap between the institution and the rural parent community. Parents left the sessions with a clear understanding of the admission process, scholarship avenues, and the institute's track record in placements. The initiative is expected to significantly enhance admissions from grassroots communities and reinforce the institution's commitment to inclusive and accessible quality technical education.
